SIGHT WORD ACTIVITY BOOKS

Teach your students to recognise, read and write pre-primer sight words with the Sight Word Activity Books. The sight word booklets contain 8 activities for each sight word on the Pre-Primer list. The activities have been designed to be fun, hands-on, and engaging. With each booklet following a predictable format, once the activities have been introduced to students, they will be able to complete them independently.

There are 40 sight word booklets; one for each word on the Pre-Primer sight word list:
