# BUILDING SENTENCES THANKSGIVING

Your students will love building and writing these Thanksgiving scrambled sentences. Included are Thanksgiving Scrambled Sentences for Google Slides™ and printable cut and paste worksheets. So, whether you are teaching in the classroom or through distance learning, your students will be able to complete the sentence building activities.

The scrambled sentences have been written especially for beginning readers with the basic sentence structure reinforcing correct conventions such as capital letters and ending punctuation marks. Each scrambled sentence includes a colorful picture which provides context and supports the students in building the sentence correctly.

# BUILDING SENTENCES THANKSGIVING

With the scrambled sentences for Google Slides, students drag and drop the words in the correct order to construct a simple sentence. You can assign all slides or pick and choose which slides your students complete.

The printable cut and paste scrambled sentence worksheets are ideal for morning work, literacy centers, early finishers, and distance learning.

Included are 15 Thanksgiving scrambled sentences.
